

Depression

All ages

45 mins

An activity that explores young people's experience of depression.

What you need:

- Copies of the CAMHS comic
- Access to online resources
- Art materials

Method:

- Distribute copies of the comic which was created by young people who have experienced depression.
- Ask for suggestions of some of the things the young people were trying to communicate about their experience.
- Develop a comic or poster with tips on how to support a friend who is experiencing depression
- Students may find it helpful to look at some online resources:
 - <http://www.healthtalk.org/young-peoples-experiences>
Youth Health talk has a selection of videos by young people describing their experience of depression
