

Castle is a Healthy School

Rosey and Kyan Y2 from Castle Primary School want you to know

In late 2011 we got a Play Pod to improve our play and keep us active and healthy. We all

LOVE IT.

We have been working with Jim Imeson and his Bike- It Team and had a Bling Your Bike Day.

We can now bring our bikes, scooters, skateboards or roller skates into school every Friday to play on the playground. As there are so many keen sportspeople we HAVE to use a helmet.

At Castle we have lots of After School Clubs - Football, Cricket, Street Dance and Netball plus coaches come in for Rugby, Basketball and Gym. And we have Wake Up Shake Up twice a week, the children at Breakfast Club all join in too.

We had a FAB-U-LOUS day last summer when we had a Muddy Day and we got really muddy my friend was covered ALL OVER but her mum looked worse!

We even made snowmen and I made an igloo in the snow we just love being outside. Our Nursery and Reception Class even go to the local woods and have lesson there - Y5 found out and had a creepy WOW start to their Inquiry. We are so LUCKY.
