

Dance club STRIKES AGAIN!

This is St Saviour's eighth year of dance club and we will be entering Dance Umbrella this year for the eighth time. Dance is so popular at St Saviour's that the number of children has increased from 30 to 40 in the last two years and there are always people on the waiting list.

Miss Preece, the much loved dance teacher quoted:
"I love dance it is my passion and I love running dance club."

As well as being fun, dance is amazing for co-ordination and general health and fitness. About twice a year, we are encouraged to bring in a selection of our own music and Miss Preece choreographs a dance to fit the rhythm and beat. She says that she sometimes gets her ideas from YouTube, sometimes she makes it up on the spot and occasionally she asks us (dance club) for our ideas.

Children from across all year groups and from different genders enjoy dance club and look forward to the next session. It has encouraged a lot of us to take up dance out of school with new friends that we meet in dance club.
