

Why we think we are a Healthy School at Farrington Gurney

We think we are a very Healthy school because we do lots of different things to keep us healthy and fit.

Our cookery club helps us learn about different things to cook. And we cook every term in our class. We

have had packed lunch workshop with our parents. We have a Healthy tuck shop at playtime and the Infants have fruit or veg. We also learn about the eat-well plate.

Every Friday we have a Golden Mile when we walk or run around the village field for 20 minutes. Every 4 laps is a mile and we get certificates to celebrate how many miles we have walked. We try to walk to school as much as possible. We are now a Bronze Bike It school and Bike

It Jim comes to help us with fun activities and he is even helping some children with writing stories. We do lots of physical fitness at school including Cyber Coach in the morning or Take Ten.

There are lots of clubs after school and at lunch time. This term we have allotment club, recorders, cookery, country dancing, lighting the candle, gardening, football, maths games, origami and multi sports.

We have a celebration assembly every week and we can bring in certificates that we have been awarded from our out of school clubs. Our families can come to this assembly.

We look after each other. The Year 6's are buddies with the Reception children. We have playground leaders and a Friendship Stop if we haven't got anyone to play with.

The Farrington Forum meets every term to talk about things that concern us. We support a charity every year. Last year it was 'Time is Precious' and we made over £1000. This year the charity is supporting 'Ups and Downs' a charity to help Downs Syndrome children.

We enjoy visitors coming in to help us. Tracey came to tell us about safe drugs in year 2 and the nurse comes in every year to talk to the year 5 and 6 about growing up.

We do lots of music in our school; we have learnt to play the ukulele and had a drumming workshop. Some of us learn the clarinet, saxophone and guitar. We performed at the Dance Umbrella at the Bath Forum and at the Pavilion with our ukuleles. We all

love to sing together and the Juniors have singing lessons.

We had an Olympic term when we learnt all about the Summer Olympic and Paralympics in London. We all did lots of activities linked with sport.

We have an allotment where we all can go and dig and grow! Please see our power point.

This report was written by the Farrington Forum, Kacey, Reba, Iona Clara and with a bit of help from Mrs Welch.
