

Everybody enjoys the new layout of the Rumbling Tum.

Time table of our hall!

Lower and upper key stages, come into the hall at different times. Key stage 1 go into the hall at 11:45 and go up at twelve thirty and upper key stage 2 go in the hall at 12:15 and come in at 1:00. It's great because now we don't have to queue for very long.

Special events!

At different occasions, such as Christmas, we have a different way of laying out our dining hall. We have flowers in the centre of tables and crackers to burst open. Furthermore, we have christmas songs to brighten the mood and spread joy through the heart. If you are ususally sandwiches,

then you can choose to have a christmas dinner at school.

Bistro buddies

Year 5 also take part in lunchtime because they get to be bistro buddies if they want to. Last year we got to be bistro buddies and let me tell you it is so fun!! Every term the dinner ladies choose one person who gets to be the bistro buddy of the month. Furthermore if you are outstanding at turning up every week you may earn house points!

How we have improved our dining hall experience!

The appearance!

In our dining hall we have table cloths on the table to make it nice and formal. Instead of eating our food from the tables (very germy), we have hundreds of plates to share out between everyone to stop our food from getting dirty.

Talking time

On Tuesday, Wednesday and Thursday we have a message on the board for us to talk about. Mrs Trueman organises the Tuesdays, Mrs Knight organises Wednesday and Mrs Barretto sets up Thursday. We are planning to have gentle, calm music playing on a Monday and Friday to let the children talk about what they want to.

Dinner ladies!

Usually we are silent in are hall but to make sure we are, we have great dinner ladies to help us be well behaved. It is only occasionally we have to be reminded but they are always there incase. Our dinner ladies also help us to get down to the hall in time. We have to get down the right times and they always makesure we are.

What we think!

We all think that our new dining hall, the Rumbling Tum, is very modern and just as good as any other dining hall around the world. Everybody respects our hall and is always well behaved.
